

WORSHIPFEST

A CALL TO **UNITY** AMONG STUDENTS . AN EXPLORATION OF **CREATIVITY** . A LIFETIME OF **WORSHIP**

Dear Church Leaders,

We would like to invite you to be a part of Worshipfest 2009, a weekend conference for students August 7-8 at Open Door Ministries in Winterville, NC. Worshipfest is...

a call to unity among students...

Our goal is to draw many diverse students together from our region. Even though we are meeting at a church, we are not promoting one church or denomination. This event is about the body of Christ and the kingdom of God! (John 17:20-21, Psalms 133:1)

an exploration of creativity...

We hope to see students step into freedom as they begin to worship God in new and creative ways. Along with varying creative musical styles, there are other "instruments" - our bodies for dancing, paint brushes for art, pens and pencils to write, our voices to sing and shout, and more! (Exodus 31:1-5)

a lifetime of worship...

The few days spent together is only the beginning. Worshipfest will only make a difference if it is followed by a lifestyle of worship. (Romans 12:1) The music and messages are geared so that this event will fan a flame of passion for Jesus Christ that burns in students for the rest of their lives.

Students will have the opportunity to encounter God through three main worship sessions (Friday night, Saturday afternoon, Saturday night) featuring powerful music, an encouraging message, games, and more PLUS a late-night Friday session, Saturday afternoon creative worship workshops, a 24-hour prayer room and the fellowship with other attendees. The leaders will be familiar faces of Worshipfest – Jonathan David Helsner from A Place for the Heart, Scott Hobbs from Higher Place Ministries, Brandon Willett, and the local 6:22 worship leaders. There will be lunch and dinner for sale on Saturday and multiple opportunities for students to have fun and meet new people.

In the past years of Worshipfest students have put their faith in Jesus Christ, received healing and even been called into ministry. Last year, twelve people were baptized and many more encountered God in life-changing ways. Please make a point to come and bring as many people as you can. I assure you that no one will leave the same! Although Worshipfest is aimed at students, the event is open to anyone regardless of age, race or denomination. All are welcome! Please visit **www.worshipfestgreenville.org** for more information or contact us. We would be glad to answer any questions you have.
